

### Summary of the 2008 Ontario Summer Show

The 12th annual Summer Show (aka Summer Royal) was held at the Lindsay Fair Grounds. Bob Morrell of Cochran PA. very capably judged 242 outstanding Holsteins in hot, and humid conditions. The following quote perhaps best describes the show: "I have attended and participated at many shows and we often hear about the outstanding winners... but I have never attended a show where the non winners were so strong." Congratulations to the exhibitors and show committee on an outstanding show.
