Terms & Conditions . . .

TERMS

Unless other arrangements have been made prior to sale day with the owner of sale managers, the terms call for cash or cheque settlement in Canadian Currency or acceptable equivalent, with the Clerk of the Sale before release will be given.

BIDS

The highest bidder will be the buyer. In case of dispute, the animal will again be put up for advance bids. If there is no further bidding the animal will be sold to the person from whom the auctioneer accepted the last bid. No bidder will bid a sum less than the auctioneer nominates.

Every animal is pledged to absolute sale and by-bidding is prohibited, except to split a partnership on jointly owned animals when joint ownership is previously announced. The auctioneer may, without giving any reason therefore, refuse to accept the bidding of any person or persons. Every animal will be transferred to new ownership and may not be transferred back except at the discretion of the Association.

RISK

All animals are at purchaser's risk as soon as struck down but will be cared for without charge for a reasonable time. Insurance, effective immediately for full purchase price can be obtained from the clerk if desired.

ERRORS

Any error noted in the catalogue will be announced from the Auctioneer's stand. Any announcement from the Auctioneer's stand will take precedence over any matter in the catalog.

CERTIFICATES

Each animal is recorded, or will be recorded, in the Herd Book of the Breed. This certificate of registration with recorded transfer to the new owner will be provided free of charge by the seller to the purchaser.

SHIPPING

Assistance will be given in loading and shipping animals but no risk is assumed by either the Sellers or the sale manager.

ACCIDENTS

Although every precaution will be exercised to protect the safety and comfort of guests, the Seller, auctioneers and sale managers will not be responsible for the condition of the grounds or behavior of the animals,

and disclaim any liability, legal of otherwise, in the event of personal accident or property loss.

GENERAL

The sales manager is the Seller's agent and is not personally responsible for any warranties, guarantees or representations made bona fide in reliance upon information provided by the Seller. The Seller is responsible for all such warranties, guarantees and representations.

Complaints should be made to the Seller or sale manager before the close of the sale.

In all cases the Seller's responsibility to the buyer is limited to the sale price paid by the buyer.

EXPORT

Unless otherwise announced form the Auctioneer's stand every animal in this catalogue is sold subject to the following export conditions:

(i) Purchaser must immediately after the sale notify the Sale Clerk that the animal concerned should be submitted to export tests and must specify the country concerned. If any other shipping agent is to act on his or her behalf such agent should be indicated at this time.

(ii) A DEPOSIT of 25% of the purchase price will be due and payable to the sale managers immediately at the close of the sale. Such deposit will be held until notified by the purchaser or his agent of the results of the required veterinary tests.

(iii) If the animal successfully passes all the required tests, the balance of purchase price plus any costs and expenses incurred for export testing and by mutual agreement, will be due and payable to the sale managers either by bank draft, cheque or letter of credit against shipping documents. If the animal fails any of the required tests, the purchaser is entitled to the refund of the above deposit less export test costs.

WARRANTIES

(i) Clear title to each animal and right to sell same is guaranteed by each consignor, hereinafter referred to as the Seller.

(ii) Unless otherwise indicated in the catalog or announced from the Auctioneer's stand, each animal is sold as physically sound without noticeable blemish.

(iii) Females: Any female pregnant when sold or that has freshened within 90 days prior to the date of sale is by these facts considered a breeder. Should any other female not pregnant when sold fail to conceive within six months of sale date or, if less than 15 months old when sold by the time she reaches the age of 21 months the matter should be reported to the Seller in writing. The Seller will then have the privilege of 6 months time in which to prove the animal a breeder before refunding full purchase price.

Females bred when sold are presumed to be pregnant, but pregnancy is not guaranteed. The Seller makes no warranty that a female announced safe with calf will deliver a live calf or that she will carry her calf full term, nor is there any guarantee that the calf carried will not be mummified. Embryo transfer pregnancies are considered to be of the same status as natural
Pregnancies. In no case will the Seller be responsible for more than the sale price of the animal concerned.

Udders of females sold will be carefully examined before the sale and any defect found will be announced.

(iv) Above warranties cease when the animal is disposed of by the original purchaser.

(v) Above warranties cease when a female is used for embryo transplant purposes either as donor or as receipt, whether surgically or non-surgically.

(vi) Transportation charges on all animals subject to adjustment will be for Buyers Account.

(iv) The animal is at purchaser's risk from the fall of the hammer. It will not be ownership transferred until export procedures commence after all tests have been passed successfully, necessary permits from importing country are available and full payment arrangements mutually agreed.

(v) The animal will be retained by the Seller until export procedures are completed. The purchaser, his agent, or the sale manager if requested to do so, will make the necessary arrangements for export tests as called for, which will be for Buyer's account as soon as circumstances permit. Neither the seller nor the sale manager assume any risk but will provide reasonable care, feed and management at no charge, for a reasonable time. Insurance as required is for Buyers account and responsibility.

(vi) If the animal has not been removed from the Seller's premises within SIX MONTHS from the date of sale (except due to failure of tests or mutual agreement in writing, Seller will be entitled to treat the sale as null and void unless he receives full payment immediately from the purchaser or his agent and arrangements for immediate pick-up are made.

SPECIAL

Terms other than the standard cash or cheque may be discussed by prospective special bidders with consignors who have sole discretion on any credit arrangements. This must be done well in advance of the sale. The consignor and purchaser must report any credit arrangements to the desk before leaving the sale. Members of syndicates or jointly owned animals reserve the right to bid on their consignments as individuals.

NOTICE

You are respectfully requested to read the above terms and conditions of this sale which constitute a legal contract between the Seller and the Buyer of each lot, mutually binding in the event of any dispute.

The pedigrees in this catalogue are prepared by Jersey Canada using the most recent information available. Although they are checked carefully, the Association cannot guarantee against errors and omissions.
