Welcome...

It is with great pride that we present to you the line-up for Music City Celebration 3. We would like to express our sincere thanks to the consignors of this elite sale. As you review this catalog, we hope that you will agree they parted with their absolute best. Once again, we are offering National caliber show winners, offspring from many WDE Champions and tremendous genetic and breeding packages. In 2016, we came up with the idea for this virtual sale and we kicked off the series in 2017. In the past two years we have sold nearly 1.5 million worth of cattle who have went on to do amazing things for their new owners. We have had genomic animals from the top echelon of their breed, show animals that have won at the biggest shows in North America and females have become foundations for many herds/breeding programs.

We have coined the phrase “Not Just A Sale, An Experience.” And an experience it is! One of the highlights for us is to see so many people from different states, countries and multiple breeding philosophies meet and come together to celebrate our industry. Our guests have gone to numerous shows, toured museums, taken tours and eaten at some of the finest restaurants around. And of course, listened to amazing music. There is a long list of musicians who look forward to the “Cow People” coming to town each year.

We need to thank many folks, none more important than the consignors and buyers from this sale and years past. We would also like to thank Jack Hippen, ST Genetics for being a continued sponsor for the Music City Celebration. ST helps sponsor the music, food, and an occasional drink or two. Their commitment to our business is second to none and we thank them. We also thank the staff and management at AJ’s Good Time Bar. They have been the host to our event since inception. Matt Harville, Shannon Wright and the crew are fantastic. Our gratitude to Alan Jackson for signing a guitar that we auction off each year for benefit of the industry.

This year we have expanded the Experience. We have teamed up with Cowsmo and will be announcing the 2019 Holstein All American Nominations “Live” from Famous Saloon on Sunday afternoon. What better reason to have a party! This celebration will be sponsored by ST, Cowsmo, Borderview and MD-Hillbrook. Everyone is invited. Later that evening we have a special performance planned. Sarah Montgomery and Tawnya Reynolds have released new albums this year and we are offering a private show with them for you to hear their new music and learn the stories of where their songs came from. They will offer singed CDs and merchandise to our group. We think this will be a great addition to our event.

There are four breeds of beef cattle in Japan, and Black Wagyu (Kuroge Washu) is the crown jewel. Black Wagyu beef is famous for its high marbling content and unique-tasting qualities. It is often described as buttery, silky, tender and juicy. Wagyu beef has an incredibly high omega 3 and omega 6 content and has the lowest cholesterol levels of all meats, even lower than fish or chicken. These animals are so prized in Japan that the Emperor declared them a national treasure in 1997 and outlawed the sale of the cattle and their genetics outside of Japan. The limited number of cattle and genetics that made it out of the country prior to this ban is highly sought after today.

This heifer, that we are offering for sale, GRF MS Hirashige F39, is registered with the American Wagyu Association. Her sire is from the Kedaka line of which 50% of the Wagyu in Japan descend from Hirashige Taxasu is known for large framed offspring. Her dam, GRF MS Michifuku C07, is a daughter of World K's Michifuku, one of the best carcass bulls to be shipped out of Japan.

GRF MS Hirashige F39 is carrying a confirmed E.T. pregnancy from our donor cow, GRF MS Hirashige C01 a female with the top Wagyu sires in her pedigree. The sire to the embryo calf is Macquarie Prelude M0495. He is the most used bull in Australia, the country with the largest Wagyu herd outside of Japan, and he scored higher all-around on carcass traits than any other bull available in the U.S.A. In this heifer you will be getting two exceptional breedings, her and the E.T. calf she is carrying giving you two exceptional breeding lines to carry forward in your herd.

HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

EMBRYO TRANSFER: All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

HEALTH WARRANTY: The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

ACCIDENT: The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

LIMITATIONS OF WARRANTIES: Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

for Public Auction.**

BUYERS

Purchase of Live Animals (Lots that do not have a choice to be made)

If you purchase any lot that is a single animal, live on sale day, regardless of her age or location, you are obligated to pay the full purchase price of the animal on sale day. Buyers can protect their investment by purchasing insurance (info in the back of this catalog) at the sale or providing insurance through a company of their choice. If Buyers do not acquire insurance immediately at the time of purchase, Buyer is self-insuring the animal and assumes all risk at that point. It is not the Sellers nor Sale Managers responsibility to insure cattle for the Buyer once the gavel has fallen whether purchased by the Buyer at the sale, through an agent or on the internet.

Choice of Flush or Choice of Multiple Animals/Individual Live

35% of the selling price is due on sale day to sale management. The remaining balance is due direct to the seller upon selection of your purchase. Purchase of Choice of flush or choice of multiple animals sold require Buyer to select their purchase by the time the youngest animal in the package reaches 4 months of age unless otherwise noted or announced. All health testing and insurance details outlined in these terms and conditions shall apply.

Payment for animals sold in absentia is expected in full on sale day. Any animal selling in absentia is guaranteed to be in good health and condition at the time of the sale and will have been inspected by a licensed Veterinarian prior to the sale with the necessary tests guaranteed to be negative (TB BVD-PI and Brucellosis (if age appropriate) along with a shipping fever vaccination). A certificate of veterinary inspection (CVI) will be provided at the sale for health guarantees and insurance purposes. After this certificate is provided, the Seller's only responsibility after the sale is to provide adequate and proper housing and care for the animal until she is picked up by the Buyer or his agent and perform the necessary testing once notified. It is the Buyer's responsibility to provide Seller with information needed for interstate health charts for delivery of the animal and transportation plans and instructions. It is the sole responsibility of the Buyer to arrange for transportation of the purchased animal. We have provided a list of truckers who can assist in transportation in the front of this catalog and we also included phone numbers and emails of all consignors for your convenience. All animals in the sale may be inspected by prospective Buyers or their agents prior to the sale upon request to the seller.

SELLERS

Any animals sold in absentia under 4 months of age can be housed at the Seller's facility at no extra charge to the Buyer until that animal is 4 months of age, if the buyer so wishes. For an animal sold in Absentia that is over 4 months of age, the Buyer will be responsible for board fees of \$5 per day until the animal leaves the Seller's facility. For this sale, the Buyer will have a grace period until 1/9/2020 where no board fees will be charged.

Seller guarantees a sound, healthy, animal at the time of the sale and proof of this will be the Certificate of Veterinary Inspection (CVI) which must be provided prior to the sale. Seller will prepare health charts for interstate travel for all animals in the sale immediately upon receiving instructions from the buyer. The only tests that are guaranteed to be provided by the Seller are TB, BVD, Brucellosis and a vaccination for shipping fever.

Seller will work to provide adequate care for the cattle that are sold to a new Buyer and will notify Buyer immediately in the event of illness or sudden death of an animal should occur. Any veterinarian care or autopsies performed will be at the Buyer's Expense.

November 10, 2019

Dear Friends,

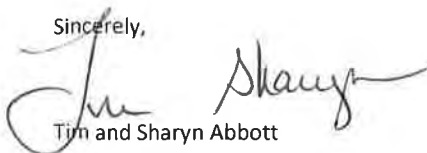

We thank you for your interest in the 3rd Music City Celebration Sale. Our event has grown each of the past three years and looks to be bigger and better than ever. We look forward to seeing many of you in Nashville and watching our event on line.

We wanted to call your attention to a project that is very important to us. ***National Dairy Shrine*** is an organization that we have been involved with for many years. Many of you know about it because of the NDS pins NDS members wear to events. Others know it because of your visit to the Hoards Museum in Ft. Atkinson, WI. Most likely you know someone who has been recognized by the organization as past, present and future leaders of our industry. However, many of you may not know the importance of the organization. NDS is an organization that is dedicated to honoring the leaders of our industry, past and present with some of the most coveted awards in the industry. Along with this, NDS is also involved with keeping the Museum at Fort Atkinson, WI current and vibrant for visitors from around the world to learn the history of our industry. Lastly, NDS has a huge commitment to helping create the NEXT great leaders of our industry. Each year, NDS gives out dozens of scholarships to young students to help foster their education. This year alone NDS awarded 47 scholarships to deserving young people to help fund their educations that totaled over \$60,000 in awards!

We expect everyone reading this letter has been touched by National Dairy Shrine in one way or another, a family member or friend, employee or boss that has been awarded a scholarship or given a prestigious NDS award. In order to keep NDS running at this level, there needs to be a large sum of money in investment accounts to generate the income needed to fund these programs and awards. The organization's overhead is extremely low and most of the work is done by people who are not paid, so a large percentage of all donations go directly to funding the organizations awards and scholarships.

We write this letter to call your attention to the need to raise money for National Dairy Shrine to preserve the future of the purpose of this organization. Along with the rest of the board of directors of NDS we are trying to raise money this year and increase awareness of this organization. **To show our commitment to this project, we will match personal donations given between now and the sale date, December 9 up to a total of \$5000.** We are asking you for your support by making a tax deductible donation to NDS. We ask each of you that see this letter to consider making a donation to NDS to preserve the future of this important piece of our industry. Please contact us Tim@abbottcows.com or 802 238 1142 or you can go on line and make a donation at this web site, <https://www.dairyshrine.org/donations.php> to make a donation. If you go on line please note it is for the Music City Sale fund raising effort. We hope we can announce a successful campaign and recognize those of you that contributed at the sale on December 9 in Nashville.

Sincerely,

Tim and Sharyn Abbott
